

STAKEHOLDERS' MEETING ON CASE MANAGEMENT UNDER THE UNICEF CHILD PROTECTION PROGRAMME -INTEGRATED SOCIAL SERVICES DELIVERY (ISSD)

- The meeting was aimed at discussing social issues relating to child protection and case management. The department of Social Welfare and Community Development set the ball rolling by spelling out the stages of the case management process after a brief presentation on what it was expected of all stakeholders regarding child protection.
- Various stakeholders took turns to share what they do and what they bring on board to foster the collaboration with regards to child protection and case management.

The programme was graced by the District Chief Executive, Hon Sarah Dugbakie-Pobee, the District Coordinating Director, District Directors of NCCE, CHRAJ, NHIS, GES and GHS, DOVVSU, Assembly Members. Other participants include chiefs, Opinion leaders and Unit Committee members
